PROFIT WARNING

This announcement is made pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the “**Board**”) of Thelloy Development Group Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on a preliminary review of the unaudited financial information of the Group for the six months ended 30 September 2020 (the “**Period**”), the Group is expected to record a substantial decrease in its net profit by over 49%, as compared with its financial results for the six months ended 30 September 2019. The Board considers that the decrease in net profit was principally due to a decrease in revenue as the COVID-19 outbreak led to a delay in the progress of certain construction projects and hence, a delay and disruption in the completion of such projects.

As the Group is still in the course of finalizing the interim results for the Period, the information contained in this announcement is only based on the Board’s preliminary assessment of information currently available to it including but not limited to the unaudited draft consolidated management accounts of the Group for the Period, which have not been audited by the independent auditor of the Company nor reviewed by the audit committee of the Board as at the date of this announcement and is subject to adjustments upon further review.

Shareholders and potential investors are advised to read carefully the interim results announcement of the Group for the Period which is expected to be published by the end of November 2020.

Shareholders and potential investors should exercise caution when dealing in the shares of the Company.
